

FREE INSIGHTS DISCOVERY INTRODUCTORY WORKSHOP

Register Today

FRIDAY 19 JANUARY 2018 - 9.30am - 1.00pm

NEW PLACE CONFERENCE CENTRE, SOUTHAMPTON

The success of any business is built on the performance of its people.

WHY COME?

You will come away from this session with a deeper understanding of self and others in order to improve working relationships by **Recognising** different personality types, **Adapting** your behaviour and **Connecting** effectively.

HPD Managing Director and Insights Licensed Practitioner, Ruari Chilsholm, will run an interactive workshop that will demonstrate how Insights Discovery can help support personal, team and organisational development.

“EVERYTHING THAT IRRITATES US ABOUT OTHERS CAN LEAD TO A BETTER UNDERSTANDING OF OURSELVES”

Carl Gustav Jung, 1875-1961

WHAT OUR CLIENTS SAY

“I now understand how to communicate more effectively with my manager”

“My profile was so accurate when I read it, it felt like you’d been following me about for a month!”

“My delegation skills have improved dramatically by understanding how to motivate the individuals in my team better”

“I’ve done other profiles such as MBTI before, but Insights is by far the best, it’s so easy to understand and remember, it’s made a big difference in the way I interact with people”

“The recent Insights workshop has really re-energised the team and given us a new lease of life”

“Fantastic workshop we came away with easy to apply action plans to improve the way we work with each other.”

ABOUT US

At High Performance Development it is our aim to generate new and inspiring training programmes that challenge and motivate individuals, teams and organisations to attain higher levels of performance in order to achieve outstanding results especially in turbulent times.

Training programmes should be enjoyable experiences, not something people feel they are being made to attend. We want our delegates to leave not only with achievable personal development plans, but having had a truly memorable experience with a commitment to improve performance.
