Class Timetable - Class Descriptions

Aqua Aerobics

An excellent method of exercising which improves the fitness of the heart and lungs, tones the body and reduces fat. Our ozone cleansed pool offers the perfect arena for this class. The water supporting you and the body temperature kept low, this class offers members a great, fun workout.

Shape & Revive

A total body shaping package - half the class dedicated to shaping and toning your body using free weights. This part of the workout takes elements from the gym and the exercise studio and combines them to create an enjoyable and achievable workout. The remainder of the class combines elements of yoga and pilates to elongate you muscles and leave you feeling mentally refreshed and relaxed.

Legs, Bums & Tums

This class focuses on technique and toning rather than intensity; targeting specific problem areas. A short aerobic warm-up may be included followed by a series of exercises for legs, bums and abdominal areas.

Freestyle Fitness Yoga

A freestyle class that incorporates core stability, flexibility and strength. Using yoga postures, deep stretch and pilates exercises, without being a spiritual experience. No dogma, chanting or philosophy attached to this workout. Linked postures make this a truly challenging workout.

Pilates

Aimed at exercises to strengthen muscles such as the lower back and abdominals. This class is excellent for improving your posture whilst incorporating stretching moves which focus on core stability, along with breathing techniques.

Spin

A fantastic, high intensity class for those looking for an adrenalin fuelled workout. With exercises including, hill climbs, sprints, interval training plus many more, this class will ensure you come away completely worked out with a few miles under your belt!

Yoga

Focusing on alignment and well-being this yoga class encourages members to explore the relationship and connection between the mind and the body and to release the tensions we hold in each.

20:20:20

Twenty minute segments incorporating cardio vascular, body toning and abdominal training exercises. A fantastic combo class suitable for all levels of fitness looking for a complete workout from top to bottom.

Zumba®

Inspired by the traditional cumbia, salsa, samba and merengue music paired with pulsating Latin rhythms with the red-hot international dance steps; Zumba is the hottest new dance craze to hit the UK. Great fun whatever level of fitness you are!

Body Blast

Time to blitz that body! A total body conditioning class including muscle toning and abdominal floor work using various studio equipment. Suitable for all levels

Stretch Pilates

A perfect class to make your muscles feel lengthened and your whole body more mobile ! We might even throw some relaxation in to help you feel totally relaxed and refreshed.
